

DON'T SAY WE DIDN'T WARN YOU.

WE TOLD YOU IT WAS GONNA BE SICK.

Introducing the latest weapon in Hammer's arsenal. The all-new Hammer Plague.

With an aggressive late mid-lane move, and the most backend continuation in the history of Hammer Bowling, the Plague will definitely turn the competition's stomach. And, if you think this one's gonna be sick, wait until you see what's coming next. Because for us, it's never just about winning. It's about smashing, crushing and generally humiliating the other guy. And **NOTHING HITS LIKE A HAMMER.**
